

Legislative Assistant/Counsel

Progressive Northeastern Senator seeks legislative assistant or counsel to handle oceans and fisheries, agriculture, and other environmental issues. Primary responsibilities include developing and drafting legislation, briefing the senator, meeting with stakeholders, and liaising with the state office. The position requires at least two years of relevant policy background. Hill experience is preferred, and a graduate degree is strongly preferred. **Please send a cover letter, resume, and brief writing sample to ProgressiveNortheastLA@gmail.com by August 17, 2021.**
